Upcoming Events for the Niagara Falls Camera Club Volunteers Needed

The Niagara Frontier Regional Camera Club will be hosting a competition between the NFRCC and the Greater Toronto Council of Camera Clubs (GTCCC) on November 8. We are looking for a few members to assist with this event which will be held at the Niagara Falls Camera Club. Volunteers will help with set up and tear down of the event, organizing tables for the lunch, and assisting with the print and digital competitions.

Interested volunteers should please contact Chris Empey.

On November 22, the Niagara Falls Camera Club with the Salvation Army, will once again be hosting a Help portrait Event. This is our opportunity to give back to our community. As photographers, we know the value of a family portrait, and also the cost. We will be providing free family photos to those in need and are looking for photographers and assistants to make this day perfect for all involved.

This is the fourth year that the NFCC has participated and those of us who have volunteered in the past know the importance these pictures are for the families who receive them.

Interested parties should please contact Either Chris Empey or Scott Simons.
