## *The Art Of Seeing*

### What you will learn:

- Why is it so hard to “see” all the details in real time? We will look at the science behind why humans struggle with details.
- How to take great photographs without paying attention to RULES.
- The importance of FAILURE to improving as a photographer.
- Joe's TOP 18 TIPS for improving your ability to “SEE”.
- ... and much more!

## Arpana Raturi

Hello Everyone,

I came to Niagara Falls in 2010 and fell in love with the city instantly. Not only with The Falls but also the Trees, the Lakes, the Trails and the people. I had my hands full with 2 little kids and 4 pets so never really got a chance to explore and see the beauty. Now, I am looking forward to learning more, capturing the beauty and pursuing my passion.
