POWER & A PINT
NIAGARA PARKS POWER STATION
7005 Niagara Parkway, Niagara Falls
Sat March 25, 2023 @ 3:00
Counterpart Brewery @ 5:30
3659 Stanley Ave, Niagara Falls

Explore the first major power plant on the Canadian side of the Niagara River with immersive exhibits, restored artifacts and interactive storytelling. Then descend 180 feet in a glass-panelled elevator and explore the 2,200-foot long tunnel, leading to an observation deck at the river's edge. Find out how this remarkable tunnel was excavated with only lanterns, rudimentary dynamite, pickaxes and shovels.

Wear comfortable shoes and dress for the weather. It is chilly at the tunnel and be prepared to get wet once you reach the observation deck at the river's edge. Admission and Guided Tour is recommended \$38. There are a limited number of tickets available at 3:00 so please reserve early.

General admission is \$28 per person.

Tickets for the guided tour must be purchased online at <https://www.niagaraparks.com/visit/attractions/Niagara-parks-power-station> however, general admission tickets do not have to be pre-booked.

There is parking available at the Power Generation Station. If you have a Niagara Parks Parking Pass, parking is at no charge.

After the experience at the Power Station, take a drive on over to Counterpart Brewing for dinner and a pint. Counterpart Brewery is a craft brewery and kitchen located in an industrial plaza in the north end of Niagara Falls. They produce a wide variety of progressive and inspired beers and offer an eclectic array of house made dishes that showcase both creativity and technical proficiency. Their service style and layout were created with a casual and social experience in mind.

Please RSVP to Linette Mori at linettemori@gmail.com

Illumi 7174 Derrycrest Dr, Mississauga

An epic multimedia journey around the world. illumi ignites the night with more than 20 million brilliant lights in 13 magical universes on a 600,000 square foot site, the equivalent of 10 football fields.

There is plenty of free parking on site.

The light exhibit is open on weekends in March -Fri, Sat and Sun and also every night during the March break. Ticket prices vary according to dates. The exhibit closes on Sun April 9th .

This is an event that children and adults will all enjoy.
